

Pre-Congress Course Highlight

Ultrasound Advanced

Sunday, 22 September 2019 | 13:00 – 17:15

Course Description

Registrants can choose five detailed hands-on modules from 18 options, covering a variety of topics. Four participants to one instructor allows each individual participant ample hands-on time for ultrasound scanning. Didactic lectures happen via video before the Congress, so in person the course is fully dedicated to scanning practice.

Course Fee

- Organizing Society Member (AAEM, MAEM): \$475 USD
- Non Member: \$525 USD
- *Special Discount if taking both Ultrasound Courses - Beginner and Advanced*

Course Modules

Aorta & IVC	Musculoskeletal - General
Cardiac-Advanced	Musculoskeletal - Shoulder
DVT	Ocular
eFast	Procedures - Nerve Blocks
Gallbladder & Renal	Procedures - Non-Vascular
Gastrointestinal	Procedures - Vascular Access
Head & Neck	Pulmonary
Image Acquisition and Instrumentation	Shock
Landmark Documentation	Transesophageal Echo (TEE)
